Seller and Buyer entered into that certain Renewable Energy Contract (No. GS-00P-15-BSD-1148), dated as of April 1, 2015 (as amended by the First, Second and Third Modifications thereof, the "**PPA**"), pursuant to which Seller agreed to sell and deliver to Buyer all of the Renewable Energy output of the Facility located in Somerset County, Maryland, which is more fully described in the PPA, and Buyer agreed to purchase the same from Seller; and,

B. Seller and Buyer desire to modify certain terms and provisions of the PPA as set forth in this Fourth Modification.

**AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing and the mutual promises set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Buyer, intending to be legally bound, mutually agree to amend the PPA as follows:

2. Modifications.

(a) Definitions.

(iii) The definition of "Test Energy" is deleted in its entirety and replaced with the following:

"Test Energy" means that energy which is produced by a Phase, a part of a Phase, or the whole of the Facility prior to the Commercial Operation Date or Partial COD, as the case may be, delivered to Buyer at the Point of Delivery, which is necessary in order to perform all testing of a Phase, a part of a Phase, or the whole of the Facility, as the case may be, or otherwise produced by a Phase, a part of a Phase or the whole of the Facility and delivered to the Point of Delivery prior to COD or Partial COD, as the case may be.

(c) Commercial Operation. The following is added to the end of Section 4.1 of the PPA:

Seller shall also notify Buyer in writing when any portion of a Phase of the Facility has achieved Partial COD.
